

## **About Us**

### **Supply Chain Tribe by Celerity ([www.supplychaintribe.com](http://www.supplychaintribe.com))**

Supply Chain Tribe by Celerity aims to bring speed to all your supply chain and logistics strategy and action in this time poor world. We aim to be a one-point source for everything related to supply chain, by generating credible data, through multiple channels and media, in multiple modes

Through our Jobs vertical, we help recruiters get the right candidate and job seekers find their next best job faster.

### **Our Vision**

To persistently explore and uncover business needs pertaining to supply chain and logistics and enable business growth of our readers and subscribers by providing multiple platforms to share, ask and discover.

### **Our Mission**

To connect India's professionals to share, learn, connect, exchange ideas, discover and network amongst their chosen domain, in this case, supply chain and logistics. Our services are designed to enable you to promote supply chain and logistics best practices through your own experiences in India and abroad. We aim to help you create a network of trusted relationships.

### **Our Founder**

Charulata Bansal

A savvy marketer having worked across a variety of Industry verticals and companies, Charu's last stint in a supply chain services company reinforced in her the need to get supply chain domain it's due recognition.

When she is not disrupting at work, she disrupts her work by going for high altitude treks in the Himalayas.
